Dear Marcelo and Miguel,

Thank you for your gracious, warm Christmas! This has been a spectacular visit, made perfect by you and your wonderful staff. You helped us select and enjoy great activities, especially horseback riding and the ropes. I assure you we will send many friends your way! Your conversation and explanation of marvelous Argentina and Patagonia were a true highlight. We leave with new insights and friends of the South.

Best wishes for a terrific 2005!

Steven, Gayland and Makai Nance

PS: I loved the riding because Chris picks the perfect horse for each person, and gives her energy to helping each person seek his best. Thank you. We all should be greeted each day 3 times a day with the smiles & gentle language of each of the girls!

God bless all of you

Dear Marcelo:

We watched the video last night of our trip to Chile and Argentina. Molly (17 years old), Gregory (15 years old) and Kevin (13 years old) were pretty much only interested in the time we spent at Peuma Hue!

Between the beauty of the ranch, surrounding glaciers and mountains, in addition to your hospitality, Marcelo, the good food and warm atmosphere, there was no way any place else could beat it! The playful dogs running around put the icing on the cake! When we are fortunate enough to visit Argentina again, Peuma Hue will be first on the list!

Warmest regards,

Ross, Nancy, Molly, Greg and Kevin Friedman

Querida Evelyn, Marcelo y todos los Peuma Hue:

GRACIAS!!!

La verdad que pasamos unos días increíbles; sólo un problema: siempre son pocos!

El lugar realmente es soñado, las comodidades, la infraestructura, los servicios, la comodidad de las cabañas, la decoración, ni hablar de las vistas, la atención familiar, todo, todo excelente!

Tienen un potencial en las manos increíble!

Muchas gracias por todo

Dear Evelyn, Marcello and everyone at Peuma Hue,

I think this is truly the best vacation we've ever had. Immediately, I was overwhelmed with the beauty of this place. The view from our bedroom was spectacular. I loved watching the shadows creep up the mountain as the sun set. I'll miss that in New York.

We experienced so many amazing adventures while we were here, from kayaking to hiking to rafting to fishing. I've never done so much in less than a week.

The most important part of Peuma Hue was the people. Everyone made us feel so comfortable and pampered and loved. I looked forward to Sonia's meals every night! Thank you so much for such a special trip. I'll always have beautiful memories. When I'm typing at my computer on a grey day in New York, I'll remember the beauty of Bariloche and Peuma Hue.

Dear Evelyn,

You have built such a wonderful place for people to experience Patagonia. We are so glad that we were able to spend a couple of days with you and your lovely staff at Peunma Hue. All of our experiences – from riding horses with Chris, to stumbling through a wonderful tango lesson, to a truly spectacular hike in the mountain with you – were very special.

We loved spending time with the dogs – even they captured the fun spirit of PEuma Hue. We are especially grateful for the energy and personal attention you, Marcelo and your entire staff put into our experience.

Best of luck and we hope to see you again soon

With love and thanks,

Evelyn & Miguel,

Words cannot describe the beauty, wonder and life we have experienced at Peuma Hue.

From the moment we were greeted at the airport by your smile and excitement we could sense this would be a special part of our trip to Argentina. Your overall spirit and attitude by not only yourself, but your entire staff, could be easily described as "Southern Charm and Hospitality!"

Your patience with our kayaking lesson yesterday, seeing and experiencing the wedding as we arrived, hiking – all were exceptional.

But where do you begin to offer our heartfelt gratitude for Chris's love and knowledge of the horses and her care when guiding our rides. She is a treasure to you! And the special lunch prepared and served by your staff. They could have thought of nothing more to add!

Thank you for the work and love you have invested in Peuma Hue. And more over for sharing it with us!

Much love,

Pam West

Evelyn,

Vous êtes tout simplement unique! Dommage qu'il n'y ait pas plus de personnes comme vous... à moins qu'il faille les chercher dans des endroits aussi beaux que celui-ci? Ils deviennent rares de nos jours, mais ils existent, et vous en êtes la preuve!!!

Merci, un grand merci pour nous avoir permis de découvrir cet endroit paradisiaque... c'est une petite (trop petite?) marche de vie qu'on n'oubliera jamais...

Merci aussi a Marcelo!

Que dire de plus? La nourriture était excellente, le cadre magnifique, l'accueil chaleureux, j'ai dormi merveilleusement bien, bref le seul point négatif: j'aurais voulu rester plus longtemps dans ce petit paradis protégé!

Merci beaucoup!

Sabíamos que existen cerebros privilegiados. Que hay espíritus exquisitos. Que, excepcionalmente ambas cualidades se dan en una misma persona. Nunca habíamos visto que todo ello se dé en un equipo de gente como el que Uds han constituido: en todos y en cada uno. Nuestra mejor envidia. Nuestro agradecimiento,

Dear Evelyn,

Thank you for having the vision ... and for making Peuma Hue a reality you share with your guests. It is an incredible place and I enjoyed every minute. I will come back at a time when longer hikes are possible ... I definitely will come back.

I enjoyed roaming up and down the woods looking for birds. It was wonderful to observe them in their magnificent habitat and slowly learning not just how they look, but their behavior (I will send you the list). I loved learning about the trees and the plants, the steppe, etc. It made me aware of how much more there is to learn not only about Argentine Nature, but Argentine History and Culture.

The best part of the trip was meeting Argentines themselves. Your staff is incredible: I felt totally at home – and part of the family. Silvia, José, Claudia, Marcelo, Dina and all their children are just wonderful and they deserve the “Nobel Prize in Hospitality! ... and friendliness!!

I could write a whole volume, but I am going to stop here. So again, thank you! ...

It is difficult to decide which is the most impressive: the scenery, the accommodations or the hospitality!

It has been a wonderful vacation and a pleasure to have made new friends.

Thank you to everyone at Peuma Hue and I look forward to my next visit.

Peuma Hue – a little bit of Heaven on Earth! A truly special, sacred place that I was honored to visit. To be one with nature, to accept its challenges, to leave knowing I'm a better person for being refreshed in its beauty. The people, the dogs, the horses – all were so perfect. I look forward to returning with others to share in its glory.

Thank you Evelyn and Miguel for a truly wonderful stay at Peuma Hue. Every minute of our five days with you has been a pleasure – couldn't have been better! We return to BA rested, reinvigorated and in every way replenished. You have a beautiful estancia and have been the ultimate good hosts. Thanks again for everything. We'll be back just as soon as we can.

Dear Evelyn & Miguel,

This is a heartfelt note of thanks to you and to Marcello for making my experience at Peuma Hue absolutely marvelous. Three days were far too few and I look forward to coming back to enjoy your gracious hospitality again.

Certainly a highlight was the hike to Frey in the snow, but even more wonderful was being surrounded by beauty, comfort, dogs, warm afternoons in the sunshine, and peaceful quiet. I can't think of a more perfect way to enjoy a Thanksgiving weekend. Thank you!

Dear Evelyn,

Argentines never tire of being told how beautiful your country is, and with good reason. Mountains, glaciers, waterfalls, rapids, beaches, rivers, lakes, everything we saw was spectacular. Few places in the world are like this, where one can still drink cold water straight from a mountain stream, and freely eat berries by the path. And the beauty of the physical surroundings was matched by the astonishing warmth of the people.

Thank you for an outstandingly worthwhile trip.

I've trekked or visited Inns in the Swiss Alps, the Southern Alps of NZ, the Snowy Mountains, the Rockies, Cascades and Himalayas. Peuma Hue in the Andes is unique. Thank you for so many fabulous experiences.
