Muchísimas gracias para todos!

We have absolutely loved our time in Peuma Hue! It is truly a magical place: We hate to leave and we are eager to return with our family to share the experience! The kids couldn't get enough of the horses, the kittens, the puppies, and the chance to explore and just be kids in a way our life in San Salvador does not allow. David loved the opportunity to sleep in late and finally relax without a set agenda. And I loved the beautiful scenery, engaging, and interesting guests and watching everyone in my family enjoy themselves.

Thank you Marcelo, Lore, Chris, Evelyn and all the staff.

An all too short stay, but so many memories to cherish long and dear: Kayaking Lago Gutierrez, rolling vistas of the pre-cordillera, sighting condors, the cordillera, learning to differentiate between colihue, lenga, and ñire trees, pin-cushion skies at night, sharing anecdotes and experiences with other guest over long and lazy suppers, paradise, wilderness – all wonderful and unforgettable.

Thank you Evelyn for sharing your dream. Thank you Marcelo for your patience and knowledge. Thank you all at Peuma Hue

Dear Evelyn, Marcelo & of course Chris!

A wonderful, restorative, tranquil stay yet with some exciting riding. Thank you and all the staff for caring attention and imaginative vegetarian cuisine and for providing an abundance of dogs, cats, kittens, young lapwings and horses to enhance my stay. I wish I could take a selection home including, necessarily, Negro who cared for me equally well.

Dear Evelyn:

I can't thank you and your staff enough for the most magical vacation!!! This is "Heaven on Earth" and the most peaceful, tranquil place which I look forward to returning to someday! The accommodations are truly 5 stars and the food and service was fabulous!

This is such a wonderful place to meet great, adventurous people from around the world. Highlights were the spectacular horseback ride through the forest, to the waterfall and fabulous canters through the woods. The rafting was also amazing and a big thrill to go through class IV rapids. The rafting guides were excellent and the asado afterwards, delicious. I also enjoyed my magnificent walks through the forest with three of your dogs. Best wishes with Alpha and Ghandi. They are adorable. If you find yourself in Hawaii be sure to give me a call! Muchas gracias!

Dear Evelyn, Marcelo & team,

Peuma Hue is a very special place. You have made it more special & have made us feel at home. Thank you so much.

Words like “awesome” and “amazing” have lost much of their meaning into today’s language because they are used all too often and to describe very ordinary things.

Well, there is nothing ordinary about Peuma Hue, and words like amazing, magnificent & magical only just do it justice. As guardians of Peuma Hue you probably have the most wonderful job a person could wish for.

With thanks for all your kindness and hospitality

Queridos Evelyn, Marcelo y equipo:

Antes que nada felicitarlos por el mágico lugar que lograron crear en este rincón de Bariloche. Sólo con mirar un rato por la ventana está más que justificado el viaje desde Buenos Aires. Y si a eso le agregamos el sinfín de actividades que hay para hacer, las existenciales charlas que surgen y el trato super cálido de todos, la alquimia es perfecta.

Y si hablamos de señales, como oportunamente ayer me indicaron las runas, Peuma Hue es sin duda una de las más claras y luminosas. Gracias Evelyn por encender esa luz y mantenerla alimentada.

Bueno, esperamos volver por estos pagos y les deseamos la mejor suerte del mundo para seguir haciendo de Peuma Hue, el lugar de los Sueños (suyos y de tantos otros).

Gracias por todo,

Following a tiring & ugly summer back home in Greece due to weather conditions, I made one trip to Evelyn's Estancia.

Dear Evelyn, Marcelo and the Peuma Hue Family,

Thank you for sharing your little piece of Heaven with us the last four days. Never have we experienced such extraordinary hospitality surrounded by such phenomenal beauty.

Estancia Peuma Hue is one of a kind – a place of discovery of natural beauty, of the fragility of the environment, of self and of those we love. Being your guests in this magnificent place on earth made us more conscious that exploration is always a simultaneous journey inwards and outwards. Discovery and exploration respond to a profound and joyful desire of leisure. You are masters at leisure! We loved our dinners with you both and especially enjoyed our after dinner drinks with Evelyn where we talked about our teenage years, fifties and the energy that sacred places like Peuma Hue provide. Evelyn is not only the hostess par excellence but a sage counselor and immediate friend. People like Evelyn and places like Peuma Hue are powerful reminders that everyday, life gives you what you need if you just open your eyes, ears and minds. It is comforting that for the rest of our lives we will always be able to come back to Peuma Hue in our minds and spirit. We'll be back in person too..... and bring others with us!!

Avec mes fils, Jean-Baptiste (10) Alexis (14) Christopher (21) et Franck (41) nous nous retrouvons au fil des ans, au fil des lieux. France, évidemment; Angleterre, l'année dernière; Chili, souvent; mais jamais nous n'avions rencontré une telle harmonie, une telle plénitude. Ici se sont rencontrés nature et culture pour créer un lieu magique où le plaisir vous referit à chaque instant, dans chaque recour. Le miracle est dans l'ensemble et le secret est dans le détail. Si la chance, au venus d'un long parcours (62 ans) m'a permis de connaître des memebrenses et belles étapes, le banlieu m'attendait au cours de celle-ci. 24 April 06

Dear Evelyn, Marcelo, Maggie – and all the staff ...

When I read this guest book, I realize we've all agreed that Peuma Hue is paradise, the Garden of Eden. So how do you improve paradise?

This place is unique – not only because it's the only estancia in the whole Nahuel Huapi National Park, which has its own mountains, its own lake, its own enchanted coihue forest – but because of all of you. Evelyn, every atom of this place is infused with your love and care, your vision that all who come here should be touched by the beauty of nature and leave transformed. It's a vision which is clearly shared by Marcelo and Maggie, Walter & Inés & las chicas and in every detail. The exquisite food (thank you, Flor!), the beautiful rooms, the furnishings, the fires, the views; we guests feel that touch of love and care.

So, you have improved paradise! By sharing your love, not only of the physical beauty of Peuma Hue, but of all of us who come here.

It's a gift.

I will thank you for it for many years to come – and encourage everyone I know to come here and to share it.

With all my love and thanks – for everything, Evelyn

Nos gustó mucho estar en Bariloche y a mí me gustaron mucho las caminatas y la cabalgata que más me gustó fue la del Mirador y todas las demás, obvio. Y la caminata que más me gustó fue la última que me vinieron a buscar con el gomón, pero todas las demás también. Y me encantaría volver otra vez y en invierno también. En la última caminata toqué la nieve y subí una parte con el teleférico y en otra parte con las sillas, y.... me encantó!!!!

For a couple of Chicagoans it was great to experience this magical place. We enjoyed everything, including horseback riding, kayaking, hiking and the great food, wine & company of the staff and other guests. Please keep everything just the same.

Nos llevamos en el corazón y en la retina el lago, las montañas, el arroyo, la cascada, la hermosa ambientación de los chalets, los cauquenes, las avutardas, los caballos, Mara y los otros perros, los álamos, manzanos, la huerta con sus girasoles y frambuesas y sobre todo la calidez de todo el personal. Gracias mil y ojalá sea hasta pronto. Gracias Evelyn.

El problema acá es que no hay tiempo para nada: no leí el diario que trajimos, no cosí los botones de mi blusa, no leí las revistas del salón.... Tal vez la próxima vez haya una lluvia torrencial que me permita hacer todo eso

Otros seis meses nos quedan y seguramente veremos muchos lugares más, pero en ningún otro lado tendremos lo que tuvimos aquí.

I chose well. I am so happy that I extended my stay in Bariloche and found my way to Peuma Hue. The tranquil atmosphere and sweet, loving, familial nature of Evelyn and her fine team was the perfect complement, even a magical one.

The topper of all – the hike to the waterfall – the mountain will remain a great story in my memories –

I will not leave Peuma Hue and its lovely people – I will take it and them with me instead.

What an incredible experience you and Marcelo and all of your staff have made for Elly and me at Peuma Hue. This is a very special place in Argentina and all of the World. Each day was an amazing adventure – hiking, riding, rafting, condor watching and your hospitality is not surpassed anywhere in the World.

I hope to bring the rest of my family here someday. The very best to you and everyone at Peuma Hue

Dear Evelyn,

What a delightful four days – Your hospitality combined with the incredible natural beauty makes Peuma Hue a truly outstanding place. I have been fortunate enough to visit a number of Argentine Estancias, and I must say that this stunning retreat is the most beautiful one I have seen! The riding with Chris was delightful and the horses were energetic and perfectly mannered – a reflection on Chris' loving attention to them. The day at the Manso was superb – even at my inexperienced level, as well as exciting enough to others who had more experience.

Thanks to you, Marcelo and the entire Peuma Hue staff for an excellent stay. I look forward to the next time!!

Este lugar "reúne" todo, la naturaleza con todo su esplendor, la casa que alberga cálidamente; los sabores, los olores, despiertan los sentidos. Para nosotros esta estadía fue particularmente "sentida" y disfrutada. Deseamos que este proyecto siga desarrollándose y creciendo.

Querida Evelyn

Cómo explicarte lo que siento?

No hay palabras, pero tal vez decirte que mi corazón está más brillante que nunca y estoy llena de agradecimiento. Este lugar es muy especial, que siga siendo un lugar de sanación, de Amor, de Luz, adonde muchos vengán a sanarse.

Vinimos a la Patagonia sin saber lo que buscábamos, llegamos a este lugar tan especial y nos quedamos 10 días encontrando exactamente lo que buscábamos. Peuma Hue y vos y la gente que trabaja acá tienen una energía muy especial que permite abrir un camino profundo hacia uno mismo.

Muchas gracias por darnos este regalo.

Evelyn!

There are no words to describe my experience here but I hope the following words can express even remotely how I feel.....

“The Place of Dreams” is Life Transforming.....

I believe that whoever has the experience of this miraculous sanctuary, will never be the same again. It nurtures your spirit in its beauty; it extracts the darkness from your soul.

It gives you the Power it has through its Silence and it makes you “whole” through its innocence.

A place where you can “COME BACK TO YOURSELF”

This place is YOU Evelyn – I love this place therefore I love “you”.

May you sleep with your Army of Angels to aide you in your mission.

Be bold – and Mighty Forces will come to your aide!

Love

Para Evelyn y su equipo de gente:

Vislumbrar un sueño, acariciarlo y luego concretarlo es el placer más grande que uno puede soñar y disfrutar. Hay que tener un espíritu generoso para compartirlo con los demás. Gracias por este día, el encanto, la calidez a pesar del clima y tan espléndido y maravilloso paisaje.

Mucha suerte!! Nos veremos siempre. Éxitos!!

Evelyn –

Where to begin?!

From the airport pickup, to the beautiful resort Peuma Hue, to our breathtaking suite overlooking Lago Gutiérrez, the fabulous food and magnificent service, and of course, the awe inspiring natural beauty of our surroundings. You have worked endlessly (it's obvious!) to ensure a peaceful, spiritual, beautiful oasis – and you have definitely succeeded!

Whipple and I cannot thank you enough – there are not enough words in English or Spanish! Our memories of Peuma Hue will live vibrantly in our minds for many years to come. You have given us both a truly precious gift. We will be back!
