Thank you all for a fabulous few days – what an absolute treat! We thoroughly enjoyed all the activities, the fantastic food and the best view to wake up to each morning. It's been the highlight of our trip to Argentina (& we already loved the country!)

Cuando llegamos a Peuma Hue no sabíamos cómo íbamos a hacer tantas cosas en tan poquito tiempo. Pero ya el hecho de estar en la terraza de la cabaña mirando el lago, escuchando el canto de los pájaros o estar en la playita compartiendo un picnic en familia nos desconectó tanto que perdimos la noción del tiempo y hasta nos quedamos sin nafta.

Peuma Hue es un lugar en el que no tenés que preocuparte por los horarios, estar pendiente de los problemas y donde mamá y papá pueden estar con vos todo el tiempo.

Tal como en Mapuche, "Peuma Hue es el lugar de los sueños". Gracias por compartir este lugar tan soñado con otras personas y en nuestro caso particular, por habernos dado la posibilidad de disfrutar de este lugar tan lindo en familia.

Con cariño,

What a wonderful place to spend Christmas! You take immense trouble to arrange everything that your guests want to do, and with such kindness and care – and all this in the most marvelous setting, tranquil yet majestic. The estancia runs with a quiet efficiency that requires much thought and hard work behind the scenes. Thank you for making our stay so memorable – we will never forget this magically beautiful place

It's our last day in Peuma Hue and I write this in an attempt to sum up our experience here. There are of course the obvious things: the natural beauty of the environment, the plethora of activities, the excellent food, comfortable and luxurious lodging, etc. However the thing I'll remember most are the people here. They genuinely appear happy & that translates into an environment that transcends "relaxation" or any of the words travel companies use to describe their trips. Peuma Hue, because of the people that live / work here, make it an incredibly unique & wonderful place. It's a place that can center you, help put things into perspective & make you appreciate all the important things in your life.

THANK YOU PEUMA HUE,

Steve & Stella In

This is the most picturesque place I've ever been. The staff and animals are super friendly & helpful, especially Marianna, Mica, Melissa & Diego. I highly recommend the white water rafting, the boat ride with picnic lunch & hike and the horseback riding. I will definitely make sure to return here again.

Dear Evelyn and Peuma Hue family,

We are most grateful for the warmth, generosity and genuine friendship that you've shared with Ashley and me over the past four days.

This special place is the perfect combination of relaxation and adrenaline, peace and laughter, and of course excellent food and wine! Perhaps the best part of the trip for us was the chance to hike along with three amazing guides! (the dogs). Peuma Hue and its puppies will always hold a memorable place in our hearts and minds. With luck we will be back to see you again in the not too distant future!

Para todo el personal de Peuma Hue,

Quiero hacerles llegar un SIN FIN de gracias por toda la calidez en los servicios brindados en nuestra estadía. Como lo definió Evelyn y como lo comenté ayer, Peuma Hue es una casa en un destino lleno de emociones, que nos hace sentir en familia.... Esto es lo que me llevaré en el resto de mi viaje y a mi vuelta a Canadá: la estadía con amigos nuevos y que a partir de hoy forman parte de nuestras vidas... con las puertas abiertas para que nos visiten en Canadá. Evelyn, gracias por la invitación y darnos la oportunidad de conocer este destino y a todos Uds que junto con perritos, gatitos, caballos y la naturaleza nos sentimos muy especial.

Cariñosamente

Driving snow, rain in buckets, wind, mucho wind, more snow, more rain, windier wind.

Did it put us off? Nah!

Were we happy? You betcha!

There is nothing quite like riding a surefooted trusty horse in the Patagonian hills whilst it's snowing – for us at least. Even though I am a relative novice on a horse, Chris gave such good instruction and quiet confidence that nothing abused me, not even the steep, steep descents!

We have had 3 ½ days here and time feels as though it has stood still. It's a remarkable place with a tranquil energy that isn't found in many places – let alone guest houses!

Evelyn, Carolina and the rest of the staff (or I should say family) are the perfect hosts, giving of themselves in a way that is especially unique. Our experience here will stay with us forever. And the animals? We want to take them all home but they ARE Peuma Hue!

Thanks Evelyn. Keep giving your love to the world, and the Universe will find a way to keep rewarding you.

Stay well and happy,

Love Mel & Ali Harmes,

A place of dreams – there is no better description for such a wonderful place like this. It's perfect. I felt in love a third time – first my husband, then my lovely and amazing horse "Freiheit" and now Alpha! He has stolen my heart.

We met so lovely and nice people here. I hope we will see them again!

Thanks to Marianna, who gave us a wonderful "mate-session", to all the staff, to Chris and her horses and especially to you, Evelyn.

At the beginning I was frightened being with only English speaking people. But now I enjoyed it so much I can't say it in the "right" words.

Thanks to God that I could make such a senseful, heart and mind opening experience,

We loved the tranquility of lake and mountain paths where we spotted condors & a large fox, & by contrast to lively & varied conversation at meal times. Long walks with Alpha & Gandhi were a great highlight & we experienced long type of weather conditions from brilliant sunshine to heavy snow.

Many thanks Marcelo and colleagues for taking in two unexpected exhausted honeymoon stragglers on Tuesday evening. It rained and then snowed like hell but we had a lovely time and will always remember your warmth and kindness.

Thank you for making us feel at home in your beautiful place and for making our honeymoon so much more memorable. I think I will particularly remember finally getting John into a kayak and the magic of kayaking in the snow! As we take our leave of Peuma Hue, I take with me wonderful memories of Patagonia and its natural beauty as well as well warm hospitality of Evelyn and everyone who assists the guests here. Everyone gives so much more than I had ever expected. Chris and Nadia in addition to Evelyn, stand out in my mind as the best hosts and the most attentive to our contentment and pleasure. The rides with Chris were so.... personal and Patagonian! The house staff was so sweet and accommodating. The views from our room were unforgettable, unique and spectacular. You know, we never left; we didn't want to. We enjoyed every activity and view and connections with other guests as well.

Word of mouth swells and sells! Thank you for everything.

La verdad de Peuma Hue es que es maravilloso, la gente es tan buena y en lo único que piensan es cómo hacer que una persona se sienta bien. Este lugar me encanta porque es toda Naturaleza y si vivís en la ciudad y venís acá decís: "Esta es la vida que me perdí".

Este lugar es inolvidable. Encima me encanta la Casa de la Montaña, porque tiene una vista increíble. Estuve una semana y pienso que estuve un mes. Nunca te aburrís porque tienen tantas actividades para hacer que en Buenos Aires no las podés hacer.

Yo ya no voy a pensar lo mismo de antes "sin la tele me aburro". Ahora ya no más. Voy a estar afuera recordando este lugar...

Los quiero mucho

Lara Fernández Oliveira (9 años)

La verdad de Peuma Hue es que es maravilloso. Peuma es un lugar que podés hacer todo lo que querés, es muy divertido. Nosotros nos quedamos una semana pero parece que estuve un mes o más. Tienen que venir. Es maravilloso, podés hacer un montón de juegos, andar a caballo, te podés tirar con un paracaídas, escalar montañas, kayak y podés pescar a la noche. Yo me divertí mucho porque me hice un amigo que se llamaba Eric, él es de Londres y sabe un poquito de castellano y yo sé un poquito de inglés. Y lo que más me gustó fue todo, porque me gustó todo lo que hice. Vengan, se van a divertir!

Guido Fernández Oliveira (8 años)

Al hermoso grupo humano de Peuma Hue:

Quiero agradecer a todo el personal por hacernos sentir siempre a gusto y cómodos, atendiéndonos con una sonrisa y excelente disposición en todo momento.

Pasamos unos días inolvidables en contacto directo con la naturaleza y reencontrándonos como familia, afianzando y profundizando nuestra relación en cada actividad realizada. Pudimos disfrutar de momentos únicos con nuestros hijos!!

Nuestro especial agradecimiento a Evelyn, Marcelo y Sofía, excelentes anfitriones, que lograron transmitirnos la magia del lugar.

Nos llevamos momentos y recuerdos imborrables!!

Dear Everyone,

What a wonderful five days we had enjoying your hospitality, hiking (mostly uphill), riding the "range" on horses and ski lifts for a 360° view of this part of Argentina with glimpses of Chile, spectacular mountain peaks of the Andes, birding with Lorenzo, great food, meeting new people who became friends, and finally proving there are fish in the lake (well at least one 20" Brook Trout). Vou escrever em português para que comecem a praticar.... Próximo “verano” terão muitos clientes brasileiros de Freeway!

Tudo começou com um trabalho sério de promoção desse destino muito conhecido por nós, brasileiros, para a temporada de inverno, e muito desconhecido em suas atividades de “verano”... esse é BARILOCHE, um lugar misterioso e encantador!

Mas nesse tempo fui conhecendo pessoas maravilhosas, e como dizem todos os proprietários dos hotéis que estive, os hóspedes se tornam amigos.

E é assim que fui recebida, por pessoas que primeiramente amam o que fazem e depois contagiam e transmitem esse amor para aqueles que chegam em “suas” casas. É impossível não se sentir em um lugar especial com uma ótima energia e muito bem cuidados. Pode estar em um lugar contemplado por belezas naturais, mas somente as pessoas são capazes de fazer a diferença.

Dear Evelyn, Ghandi, Alpha, Mara and Alma,

I have traveled the world, but have never felt more at home abroad than at Peuma Hue. Thank you for making these five days the most magical, exhilarating vacation I've ever had. Ghandi and Alpha were the perfect tour guides – furry, four-legged and full of joy. They walked us home to our mountain hut at night, stood watch on the deck while we slept and were there to greet us in the morning at the door with gifts – round river stones. They led us to mountain peaks and waterfalls. I will write more about my time here when I return to New York. Thank you again.

Love,

Every normal day I wake to see endless concrete. For four days, I have woken to see the magic of this wonderful place and to be looked after so perfectly by all of the team here at Peuma Hue, dogs and horses included. It has been a gorgeous dream. This magical place certainly lived up to its description – a “place of special dreams!”. What a shame to return to England and our “frenetic ways” and the “rat race of competitive business world”.

Everything was perfect – the trekking both on foot and horse, the ride across the lake, the nature, animals and especially the people who run “Peuma Hue”.

Evelyn – thank you for making this such a memorable place to stay.

Peuma Hue est une estancia très agréable: la vue, le cadre, le silence permettent d'oublier le rythme de la capitale. La décoration, la cuisine, l'accueil et l'attention pour chacun de l'équipe d'Evelyne nous ont fait passer un séjour merveilleux.

You have created a very special place here at Peuma Hue, how can we begin to thank you all for such a fabulous time?! A real haven of tranquility, surrounded by the most beautiful landscape, fantastic walks, breathtaking views, fabulous rides and charming staff. Not to mention the fabulous food, fresh from the earth. We highly recommend the rafting and fly fishing – a great way to see different parts of the countryside. The happy memories will remain with us forever – you should be very proud.

Estimados Dioses y Diosas de la Creación:

Habiendo entendido ahora por qué han elegido a Peuma Hue para descansar en el séptimo día, deben ustedes saber que toda pincelada de su ardua labor (montañas, arroyos, bosques, lago, pájaros, animales...) se han rendido a los pies de la simplicidad, cariño y paz, con la que hemos sido mimados durante nuestros días aquí.

Hemos recibido un fuerte flechazo en nuestro corazón.

Hemos entendido el “mensaje”, el cual sospechamos ha dejado una impronta para el resto de nuestra existencia.

Deseando ser embajadores de esta casa con la grandeza que amerita en cada instancia que el devenir disponga, les agradecemos por habernos permitido aprender con tanto placer,

Evelyn –

Peuma Hue`s magic created out of the beauty of the land, the kindness of the staff and your special touch has been a special experience for us. Evelyn, our sister, we have rested so deeply because of the support we received from your wonderful way – also we are so grateful to your incredible staff – I counted 16 that I had met and enjoyed so much. Thank you and everyone – including the chef Manuela, and Lucas the 2nd chef – everyone knows the food is extraordinary – organic, mostly local, fresh – delicious. And the healing ceremony that we received from Rehue, the Mapuche shaman, with your daughter Sofi translating, was powerful and effective – what a gift!

We are happy to donate to the Foundation to build the greenhouses for the Mapuches – what a fabulous idea!

Evelyn, thanks to you especially, for “living your dream” here at Peuma Hue and then sharing it so graciously with us. We feel so at home and know we are dreaming our return.

There is eco-tourism and eco-tourism. Peuma Hue is eco-tourism with class, with elegance, with refinement. The attention to detail, the perfect scenery, the peace and quiet, the freedom and joy of the rabbits, the puppies and the horses, the friendliness of the staff and the extremely delicious food (which I unsuccessfully tried to stop eating when my jeans started shrinking) make this place a piece of Heaven. We've been looking for it for many years. Who would have thought that our place of dreams was somewhere down in Argentina? 😊

When we flew to Bariloche I didn't know we were going to land in Heaven. This place is amazing. We love everything here. We really enjoyed all our activities, from daily horse riding to fly fishing, sailing on a ducky, the ropes course, Yoga and the well deserved massages. This is an unforgettable place. We'll be back.

We had 6 nights here as a second leg of our Argentinean honeymoon. A lovely contrast after the hustle & bustle of Buenos Aires!

Cabaña del Arroyo was perfect for the two of us, everything we needed but also allowed us to have our own space.

We definitely recommend having a massage – much needed after trekking, kayaking, horse-riding & swimming!

The staff have looked after us really well and we've really enjoyed the food & wine –fantastic.

Met some lovely people who were a pleasure to share our meal times with – the atmosphere at Peuma Hue encourages people to relax & get to know one another.

Thank you to Peuma Hue staff & our fellow travelers.

We had an amazing time! The scenery, the animals, the people, the activities, the accommodations, the food, the wine – everything was perfect and exceeded our expectations. I love the animals and how they roam freely on the property. Highlights included the Cathedral trek to Frey, the river rafting, the food / wine, playing poker with the Smiths, Paul & Claire, the Swedish family; the escorts from Alpha, etc. Evelyn & staff, thank you for creating such a wonderful place & experience.

I hope to return!

To Peuma Hue and its staff,

We had a wonderful time kayaking, horseback riding and rappelling. The rooms were excellent and the views gorgeous. Everybody loved the animals and Ali and Emma made sure to feed the horses many apples. The staff were so friendly and the property beautiful.

Thank you for an excellent stay,
