We had a family discussion about putting our thoughts in Haiku or Acrostic but even poetry could not adequately express how much fun we've shared with you. Thank you for so many memories of beautiful places. The spray of water from the horses' hooves, the excitement of river rafting, the fabulous food, luxurious hikes. I would go on and on. But more than anything, the people of Peuma Hue are the very best. We are now relaxed, retired and reluctantly ready to return to the real world. Thank you for everything.

What an incredible welcome we received on Christmas night after delayed flights and lost baggage! It was such a relief to be met by Marianna and Jessica with a lovely meal by the Christmas tree. We arrived after all the stresses of the cancelled flights and leave 3 days later refreshed but saddened we have to go so soon. A wonderful experience. Dear All,

All we can do is to reiterate what the guests before us have said. Peuma Hue is such a beautiful and very special place. We have enjoyed the lovely walks, breathtaking scenery and, after 30 years, a ride on horseback – not quite as terrifying as my previous experience.

The staff are superb and the cuisine absolutely delicious. We have been made to feel very special. Thank you too for the company of Alpha & Gandhi who enhanced the enjoyments of the walks.

We will "spread the word" on our return home.

Best wishes & thank you,

Dear Evelyn, all the staff, Alpha, Gandhi, assorted horses and one very speedy cat –

We had read so much about Peuma Hue before coming, and couldn't believe how lovely it sounded. Then, after a flight and the ride and taxi, we arrived here and were blown away by the place – even more like paradise than we had imagined. The animals are so friendly and have clearly been treated with such love their whole lives. The food and cocktails-by-the-fire are a wonderful addition to the days. And the ease of getting into nature here is like nothing I've seen, from the interesting hikes to the horses wading in the water. We have loved being here and can't wait to return. Thank you so much. Warmly,

Dear Evelyn and everyone (four legs too!)

Muchísimas gracias for four wonderful days at Peuma Hue.

We feel we should be able to wake up to the mountain and water around us and not to the road to the airport! We will return!

Thank you so much for all the trouble you have taken, particularly with Mette's diet. The Coeliac Society has to know!!

We have hiked, gasped at the views, missed the "odd" turning but always managed to return "in one piece"! My first ride on horseback was a thrill – and whenever I watch horses again (especially if I have money on them!) – I will be able to have a different view than before!

Besitos,

Dear Evelyn & Peuma staff & Alpha & Gandhi,

We thoroughly enjoyed our stay at the Estancia. We'd like to thank you for your warm hospitality. From the moment we walked in the door, we were greeted like family. Peuma Hue is a special place and our only regret is that we couldn't stay longer. We greatly appreciate the thoughtfulness in preparing and planning our hike – it was just what we were looking for. Our tour guides (Alpha & Gandhi) led the way with lots of enthusiasm and took great care of us. Peuma captures the spirit of all that surrounds it. We look forward to returning in the future and we wish everyone at Peuma all of our best.

La verdad es que Peuma Hue es uno de los lugares más lindos a los que fui. En el avión me imaginaba estar todos los días haciendo sogas, pero me parece que lo pasé mejor haciendo cabalgatas casi dos veces por día, sin olvidarme de mencionar meterme a nadar en el lago Gutiérrez mientras remaba, en kayaks o duckies, junto a Juan, Matías, Facundo, Antú y Joaquín. Creo haberme divertido mucho por el hecho de tener chicos de mi edad a pesar de que eran varones. También estuvo bueno el hecho de no terminar comiendo sola con mi mamá todos los siete días que estuve. Muchas gracias a Evelyn, a Chris, Mariana, Jessica, Celina, Paula, Eugenio, Marilena, Reuben, Antú, Joaquín, Juan, Matías, Facundo, David, Fiona, Juliana, Felipe, Sara, Gustavo y sin olvidarme de los animales (voy a TARDAR); los gatos y Lola, Alpha, Ghandi, Mara, Alma, Pepe, Pumba, India, Rayo, Goya, Indio, Chima, Moreira, Cande, Barack, Cucu (que está embarazada), Big Guy, Negro y Gringa por acompañarme en este viaje

Dear Evelyn, May and all the Peuma Hue staff,

We really enjoyed our two nights here. You have created a marvellous, warm, relaxing and serene environment. We took the boat along the lake and had a relaxing yet slightly adventurous walk back. The ducks by the beach were quacking at us but gracefully made way as we headed to our home in Bariloche. The views from our room were amazing and we enjoyed the comfort during day 2 when it rained. It was a good opportunity to sort out photos and catch up on correspondence in comfort.

As we came through the front gate and saw Peuma Hue for the first time, we felt we were in a special place. When we saw the dogs romping with the children, we knew we were. Peuma Hue is a combination of aesthetic beauty, wonderful activities and staff so sincerely friendly and helpful, you know they enjoy being in this special place. However, the woman that defines the experience is Evelyn. Her vision of a place of tranquility, spiritualness and communion with nature has been truly realized. On our first day we realized we had not allocated enough time here. We will be back

We loved our time here. Can't believe we did the ropes course without falling & the rafting trip without capsizing! Everything was just lovely. A perfect 3 days here for our family. Thank you for such a special time,

The scenery was spectacular. The Mountain Cabin was one of a kind and unique in so many ways. The entire feel was very different than what we are used to and therefore provided us with a special experience. I love ♥ you
