To all at Peuma Hue

THANK YOU! We've had a wonderfully peaceful, relaxing but energetic few days. The hiking, kayaking, riding, etc, etc have been very much enjoyed by us all. Also the opportunity to meet so many interesting people. We will remember our stay for a very long time – not least Noah dropping the backpacks with our lunches in Jacuzzi Falls. Congratulations & thanks to whoever packed them so well as all the food stayed dry!

We had an extraordinary Experience horseback riding through the magnificent scenery. Everyone / every pet we came in contact with was pleasant and memorable. The lunch was one to rival an anniversary meal (trout, zuchinni, some type of custard for dessert). I skipped stones on the lake while

Los lugares son el reflejo de sus dueños y Peuma Hue no escapa a esta definición. Armonía, calidez, sonrisa espontánea y abierta siempre. La preocupación que uno se sienta bien, como “en casa”. Y a todo eso hay que sumarle la belleza del lugar. Esto es lo que Evelyn y su equipo consiguen cuando uno pasa unos días en este lugar: sentirse muy feliz y excelentemente atendido. Hemos festejado nuestros 25 años de casados en este pedazo de paraíso y ha sido un regalo que jamás lo olvidaremos,

Eve, Reuben, Jessie, Martina and all,

I think as a Father of three, one hopes to create wonderful memories, ones that will last a lifetime. I believe I succeeded, and I have you all to thank for that. Now, I believe the setting has something to do with this, but you all make it special.

I shall close with this. The Ridge Walk, as I told Reuben in confidence, was perhaps the greatest single day of my life. Wow. Now it is not a secret.

All the best,

Eve, Reuben, Jessie & all,

Everything at Peuma Hue is an adventure! I want to thank you for that. I liked the fact that you could choose your own adventure. The trekking on the Ridge was so incredible and it was truly a once in a lifetime experience. The hiking with the dogs was so fun! Gandhi disappeared and came back with a huge rock. Alpha kept huffing and puffing and Cocoa!!, she would check if everyone was okay, then sprint forward! The memories will never escape from my head! Thank you for organizing all the activities every day!
