Thank you to everyone at Peuma Hue for a fantastic stay! We have had a fabulous (almost) end to our honeymoon here – it's been perfect. There is so much to do here – we particularly enjoyed going hiking with the dogs (and I don't even like dogs very much!) – they were absolutely brilliant.

The yoga, horse riding and food were all excellent too – we wouldn't change a thing!

Thank you so much to Estancia Peuma Hue family for making our stay so wonderful! Jeff and I really enjoyed the beautiful property and the awesome staff! We loved horseback riding with Chris & Jessie and enjoyed our massages and boat ride with Ronnie.

The chef's wonderful meals were greatly enjoyed and Jasmin was a wonderful assistant.

We would definitely recommend you highly and we would love to come back, but next time with our boys! Loved practicing my Spanish too!

Jessie was a fabulous hostess and we loved visiting with her. Everyone is so friendly and welcoming.

Dear Eve,

Thanks so much for absolutely everything. Our stay at your beautiful estancia was simply magical. The setting was everything we could hope for- perched on a crystalline lake with 500 pristine acres to explore ringed by mountains with wonderful hiking trails, horseback riding, first class accommodations, delicious meals and the extraordinary hospitality of you & your staff. And the exploration day you arranged for us with the outstanding naturalist was an added bonus. Peuma Hue was definitely the highlight of our entire Argentina trip.

We certainly hope to return one day!
